

19TH ANNUAL Rebuilding Together[®] KICKOFF TO REBUILD

Bergen County | New Jersey | January 31, 2014

What is Kickoff to Rebuild?

Kickoff to Rebuild is an annual NFL sanctioned event hosted by Rebuilding Together. For 19 years, Rebuilding Together has partnered with the NFL in Super Bowl cities across the country, rebuilding houses and bringing together neighborhoods, home by home, block by block, because everyone deserves to live in a safe and healthy home.

In October 2013 we mobilized hundred of volunteers and now in January 2014, we will do it again with the help of past and present NFL members and players, community leaders, well-known national celebrities, and local and national sponsors to complete renovations on homes in Bergen County, NJ.

Rebuilding Together and Lowe's partnered with Carter's Kids to build a new playground as part of the rebuild in October.

Carter's Kids was founded by Carter Oosterhouse of HGTV's *Million Dollar Rooms* and *Celebrity Motor Homes*, to increase the activity level of kids by building and developing community parks and neighborhood playgrounds.
